Above & Beyond

□□ British electronic trio known for uplifting trance and progressive house, founders of Anjunabeats and Anjunadeep. □

Biography

Above & Beyond is a UK-based electronic music group formed in 2000 by Jono Grant, Tony McGuinness, and Paavo Siljamäki[^1]. They are renowned for their melodic trance and progressive house productions, as well as their globally recognized labels Anjunabeats and Anjunadeep. Their weekly radio show, Group Therapy Radio, reaches millions of listeners worldwide[^2]. The trio has headlined major festivals including Glastonbury, EDC, and Tomorrowland, and are known for their emotive live shows that often feature live instruments and vocalists[^3].
